Test 4 (20 minutes)

TEACHER INSTRUCTIONS

Instructions

1. Decide whether to use Version 4A or 4B, or create your own test using the template.
2. Print copies of the test (front to back if possible), and a key for every test you use.

In class, do the following:

1. Allow the students to review for 5 minutes, ideally in pairs/groups/tables.
2. Hand out a test to each student. (It's up to you whether you alternate test versions among students.)
3. Tell students: "You will have 20 minutes to complete this test" (or however long you want them to take).
4. Suggestion: After a certain amount of time has gone by, allow students to use their notes for 3 minutes (to reward diligent note taking).
