

Civics: A Christian Worldview. Quiz 10 Instructions

1. Choose one of the two quiz versions (10A or 10B), or use the template to create your own Quiz 10. (You might even want to use both versions in the class; if so, you'll need both keys, of course.)
2. Print a copy for all students, and print an answer key for yourself.
3. Hand out the quiz, and give students 15 minutes to complete it.
4. If you'd like, tell students they may use their notes for 3 minutes, to reward diligent note-taking.
5. Collect quizzes, and review the answers using your answer key.
