

Economics: A Christian Worldview. Test 1 (20-25 minutes)

TEACHER INSTRUCTIONS

Instructions

1. Decide whether to use the PDF version or to create your own test using the template.
2. Print copies of the test (front to back if possible), and a key for every test you use.

In class, do the following:

1. Allow the students to review for the test for 5 minutes, ideally in pairs/groups/tables. (If you want students to be able to use their notes for a few minutes, tell them to get their notes in order.)
2. Hand out a test to each student. (It's up to you whether you alternate test versions among students.)
3. Tell students: "You will have 25 minutes to complete this test" (or however long you want them to take).
4. Suggestion: After a certain amount of time has gone by, allow students to use their notes for 3 minutes (to reward diligent note taking).
5. Collect tests and grade using your key.
