

Economics: A Christian Worldview. Test 5 (30-35 minutes)

TEACHER INSTRUCTIONS/KEY

Instructions

1. Use the test provided, or create your own test using the template.
2. Suggestion: Make the final twice as many questions and/or worth twice a regular test. (The template has 40 questions instead of the usual 20 for tests.)
3. Print copies of the test (front to back if possible), and the key.

In class, do the following:

1. Allow the students to review for 5 minutes, ideally in pairs/groups/tables.
2. Hand out a test to each student.
3. Tell students: “You will have 35 minutes to complete this test” (or however long you want them to take).
4. Suggestion: After a certain amount of time has gone by, allow students to use their notes for 3 minutes (to reward diligent note taking).
